The Greater Kansas City PCC has had a tremendously successful year in 2011. We achieved Gold Status and Western Area PCC of the Year at National PCC Day. We raised money in June for the Joplin community at our annual Golf Tournament. We offered great educational opportunities with good participation from our membership, most recently at the Price Change Seminar with presenters Chris Breshears (Manager, Business Mail Entry, USPS, KCMO) and Alison Hall (General Manager, Pitney Bowes Presort Services, KCMO).

This is encouraging news and an optimistic backdrop to this holiday season, particularly in the face of all the changes related to increasing efficiencies, reducing costs, and sustaining high service levels as the Postal Service awaits comprehensive legislative relief.

Several key Board members will be leaving this year: Board Treasurer Christine Shores with Missouri Gas Energy; Shawn Lang of DST Mailing Services; and Clarence White with Applied Measurement Professionals. Christine was incredibly dedicated at keeping the PCC finances in top shape; Shawn helped create and implement our unique and successful High School Outreach Program; and Clarence kept busy as Co-Chair of the Mailers Forum and Special Events/Activities Committees resulting in many outstanding events. I would like to thank them and all of our Board and contributing members for their hard work. Each of these individuals will be missed!

We are looking ahead into the new year with confidence and are making a conscious effort to bring another successful year to you, our mailers, and want to meet and exceed your expectations. I wish you the very best for the new year ahead.
